LOT 71 - Red Horse-Drawn Buggy

Description

Red horse-drawn buggy, restored and in excellent condition. Key details include:

- Frame: Sturdy wooden frame painted in vibrant red.
- Seating: Black leather seat with tufted design, accommodating two passengers comfortably.
- Condition: Restored and well-maintained, suitable for both display and functional use.
- Dimensions: Standard size suitable for typical horse-drawn buggy specifications.
- Wheels: Four large, spoked wheels painted red to match the frame.
- Harness Attachments: Equipped with front shafts for horse attachment.
-

Original running gear, new wood box, new leather seat. Believed to be from the Hillsboro, ND area.

Quantity: 1
