LOT 1 - 40 Acre Country Estate, Remer MN

Description

40 acre country estate featuring a charming, 2000 square foot, one level country home. The home features a large primary bedroom, and two additional bedrooms, two baths, a home office, large living room with a two sided gas fireplace, and large three season enclosed porch. The country style kitchen features custom cabinets, and Cambria countertops, and also has a separate three season porch. The large front porch adds country charm and character! The property also includes a detached 26' x 30' double garage, and a 30' x 54' post frame building with concrete floor and a heated workshop.

Nestled onto 40 acres of mixed hardwoods, and pines, the property is a wild life haven! Deer, turkeys, grouse, bears, eagles and an entire host of wildlife and songbirds are common sights! Located just minutes from Remer, it is just a short ride to some of northern Minnesota's finest snowmobiling and ATV trails, and variety of local area lakes offer great year round fishing and lake activities! If you are looking for your private and secluded paradise, you won't want to miss this amazing opportunity to purchase this property!
